HIPPO LINK®

HOLLOWAY HOUSTON INC. Introduces a new improved version of the traditional soft shackle. Utilizing our unique braiding machine, we have added an additional braided polyester jacket coated with Fiber Lock as abrasion protection over the body on the Hippo Link™. This feature gives the **Hippo Link®** added life and durability.

FEATURES:

- ▶ Light Weight
- ▶ High Strength
- ▶ Floats
- ▶ Will Not Rust
- ▶ Low Stretch
- ▶ Easy On Equipment
- ▶ Easy Handling
